

A CELEBRATION OF SCHOOL & COMMUNITY PRIDE: Commemorating the Completion of the Facilities Improvement Plan during Homecoming Week

Sunday, September 27, 2009

CELEBRATION AND SCHOOL TOURS

After four summers and three school-years of construction, renovation, and expansion of Spring Lake Park Schools, the 2006-09 Facilities Improvement Plan has been completed!

On budget, and six months ahead of schedule!

Thanks to you, we're building a better future for students. To celebrate, to thank you, and to showcase the community's schools, you are invited to:

Sunday, September 27, 2009

A Celebration, Dedication, and Community Thank-You Program 1:00 pm, Fine Arts Center, Spring Lake Park High School, Refreshment to Follow (Enter the rotunda, off the new 81st Avenue main entrance.)

Open House/Tour at Spring Lake Park High School
1:00 – 4:00 pm

2:00 – 4:00 pm

For history and details, photos, videos, and floor plans, visit [Bond Project Updates](http://BondProjectUpdates.org) at SpringLakeParkSchools.org

Facilities Improvement Plan goals:

- Address a 20 percent growth in enrollment by adding classrooms to all schools
- through renovation and new construction, address deferred maintenance needs on 35- to 50-year old facilities
- build a new 750-student capacity K-3 school
- meet or exceed all state and federal guidelines
- address issues of safety and security
- provide long-range educational solutions for this and the next generation of students.
